HOMECOMING MEMORIES

Homecmong is always a special event at Gretna High. This year was no exception. The week started out with "Green Day" on Wednesday and "Jersey Day" Thursday followed by a bonfire pep rally that evening. Friday was "Dog Day" with the Dragons losing to Platteview that night 16-7.

To add a little excitement to our homecoming the court skipped morning classes to go out for breakfast with a side trip to Gizmos. All were faced with the consequences of six detentions each.

On Saturday night the coronation took place with Linda Biel and Gregg Dahlheim as mistress and master of ceramonies. Judy Krajicek and Wayne Jesz were crowned queen and king. Susie Hintz and Brian Allbery were named princess and prince. A dance followed with Odessey playing.

The Gretna Drama Department put on "Dirty Work at the Crossroads" for this year's spring play. The play was patterned after a Midwest melodrama and performed in tongue-in-cheek fashion. Kelly Currin took on the job of student director with advisement from drama supervisor Mr. Peterson. The audience was also asked to take part by throwing peanuts at the heralded villian, Munro Murgatroyd. This was greatly enjoyed by some of the younger members of the audience (and also some of the older members!)

The Sports Banquet honoring the athletes from 1978 and 1979 was held on April 28 this year. Carl Condon was chosen as the Master of Ceremonies. Athletes and parents furnished the potluck dinner. Afterwards, various sports awards were presented by coaches and the Pep Club sponsors named the new cheerleaders and pom pon girls for 1979-80. The evening ended with the drawing for the raffle sponsored by The Lettermen's Club. All proceeds went to buy a weight machine for Gretna's athletes. During football season they supported the team and marched at all the home games. They continued their support during basketball season when the Pep Band played at all the home games and also traveled to some away games.

The band was busy all year raising money for their trip to Florida in May. They started in the summer when they helped put up a grain bin for Mr. Dickerson. They had a concert and sold ice cream and at another concert had a slave auction. The members also sold candy bars.

For the fourth year in a row, the GHS Band received a superior rating at district music contest held at Bennington. There were also a number of soloists and small groups to receive a superior.

This year FHA-HERO activities that were carried out to encourage family involvement were a family pizza bash, Thanksgiving pot luck dinner, a "Bring and Brag" family night, and a family ice skating party.

To meet the recognition goal a B.I.O.N.I.C. week was held (Believe It Or Not I Care); a special workshop was held to design BIONIC t-shirts. Individual Encounter projects were planned at the Encounter workshop and recognition activities were carried out at each monthly meeting.

Gretna chapters were hosts for the fall District III Convention which brought over 300 members together to explore the theme on strenghening families called "We've Only Just Begun."

Gretna chapters had three District officers this year. Jodi Verbeek (Encounter Chairperson), Judy Kobza (Historian), and Nancy Johnson (Secretary). The District officers held an overnight retreat at Gretna before the fall Convention and planned ways to become more involved.

Each year the chapter attends State Leadership Conference in Lincoln which provides leadership training for new officers and members.

This year a Scholarship Fund is being set up and fund raising efforts are being used to provide a scholarship for a deserving senior member.

The Student Council joined with other members of the Student body to ask for an open lunch for Seniors during the lunch hour. They went to the School Board to present the matter, but the School Board did not grant this privilege to the Seniors. The Student body feels that the Seniors are responsible enough to have the open lunch time granted to them. Next year the Student Council and Senior members will again try for this privilege.

The Student Council also sponsored a jelly bean contest in which the students were to guess how many jelly beans filled the glass jar. The winner received the jelly beans.

Students had an opportunity to learn about careers they were interested in pursuing, such as Photography and Nursing. that happen every day
moments as we live them
things we do or say.
Large bits and pieces
of laughter mixed with tears
paragraphs and pages
written through the years.
The friendships we remember
mistakes that we regret
the ending of a love
we never could forget.
We can't erase the sadness
or edit out the tears
we can't undo the wrong
we can't relive the years.
But since memories keep building
each day can be the start
of making new and happy ones
to store within the heart.

****

This yearbook is finished for you after many hours of taking pictures, writing copy, and rushing to meet deadlines. We hope that within these pages you will find the photographs and words necessary to recapture the spirit of this year. And after the book is on the shelf, don't forget that it is your only permanent record of this memorable year.

Although the Gretna football team this year displayed individual potential and authority; the scoreboard did not always reflect this fact.

The Dragons rolled to a 2 and 7 season with their wins coming to Ashland and Arlington. Five of Gretna's seven losses could have been won with less than two touchdowns.

Members elected to the All-Conference Football Team of 1978 were senior rnning-back Mark Wille, senior linemen Jerry Allbery and Rick Jones.

Honorable mention went to senior Scott Condon and junior John Krajicek.

Judging from the many close games this season, the improved record of the Reserves, and the returning lettermen predicted for next year, Gretna's Football Team shows greater promise for next season.

The 1978-79 Gretna High School Annual Staff would like to thank Mr. Saeger from Saeger Studios for donating so much of his time to come out and take pictures for us. He took many of the sports and club pictures. We would also like to extend our thanks to the Gretna Guide & News, Gretna Breeze, Candi Imming, Mrs. Mills and Mr. & Mrs. Peterson for the pictures they took and donated to us. Without all of these pictures we would certainly not have an annual! Also, we would like to take this opportunity to thank Mrs. Steele for all her time and patience in helping us put this year's annual together. Thanks again to all these people.

THANKS!

us closes,
And we wander down

We can't help but

How much farther

Some friends will

But the memories of

Will go with us all
